Clayton County Resource Guide 2015

This guide is a valuable tool for those in the Clayton County community that are looking for services for someone in the area or in need of services for themselves. The resource guide lists all of the services provided in Clayton County and resources outside the county that residents may utilize. To keep this list up-to-date and useful to community members, please contact us with any additions or changes. Thank you and we hope this will be very useful to you!
