

**12 March 2018**, 4:20 pm, met at Genie Center. Present Lee Embretson, Bruce Collins, Myra Voss, Lee Lenth, Duane Klink.

**Redman Cemetery** [Grandview-Osterdock Rd So.-Jolly Ridge East-Hwy 52-Noble Rd. **St. John's Lutheran Cemetery** is along Jolly Ridge.

Met with DJ Anderegg. **About 1 ½ hour visit.** What options? DJA very agreeable to relocating the two bases [which are very close to end of hill, on West end, going down to the pond] -- locate (still) in cow pasture further NE to corner of field by the road. DJA volunteered to move the bases and clean off the bin cement. Marked estimate location of new chain link fence (40'?) (2 sides needed, use original fence on north side, side by road removed). Details worked out for placement, etc. LE to obtain quotes from Palas Fencing, Volga. Fence 5' tall, 6-8" off ground so cattle/horses can reach some of the grass, hopefully without damaging the fence.

Stopped at **Blanchaine Cemetery** to point out location. Has cemetery sign. Quite a few stones! Former volunteer 'committee' did erect the cemetery sign.

Next mtg to be after Easter; when called by LE. LL moved to adjourn. BC 2<sup>nd</sup>. Mtg. adjourned 6:56 pm.
